The refurbishment has been carefully designed to reduce embodied carbon, reusing and reliving the existing structure to provide a highly energy efficient building that benefits tenants and the local community.

Akoya is proud to be offsetting the upfront carbon from each project into local community and environmental causes, making the refurbishments net zero in construction.

ESG

Achieving EPC B

Ska Gold

Operational energy intensity -targeting 100kWh/m²/GIA

Upfront embodied carbon est.90kgCO₂e/sqm (equivalent to 5 flights around the globe)

Whole life carbon (A-C exc. B6 & B7) est. 260 kgCO₂e/sqm over assumed 60 year life span

On site solar panels generating carbon savings of c. 32 tonnes per annum

Airscore achieving gold

Social strategy to engage tenants in the local community

Biodiversity net gain across the asset

Aligning with science based targets on climate change

*Operational energy target comprises of : c.40kWh/sqm for regulated energy use including the energy associated with space heating, cooling, lighting, auxiliary) and 60kWh/sqm for unregulated energy use.

Technology

New and existing tenants will benefit from pre-installed state-of-the-art connectivity and digital infrastructure to meet the needs of your business.

Wired score gold

Lifestyle

MM

MM

Croydon is one of the fastest-changing areas in London, with a £5.3bn regeneration programme planned for the next few years. With ever growing amenity options, you are spoiled for choice with cuisines from all over the world, minutes from Mosaic East. Boypark is a staple for street food lunches, a shape up at the barbers, or lively afterwork drinks with a side of axe-throwing.

Misrepresentation act 1967 and declaration: Savills (UK) Limited and Hanover Green for themselves and for the vendor as agents for the vendor give notice that:

1. We provide the information contained in these particulars for guidance to intending purchasers, licensees or any other third parties and they are for your general information only and will be used at your own risk. 2. We will use all reasonable endeavours to ensure the accuracy of information, however, we do not guarantee or warrant the accuracy or completeness, factual correctness or reliability of any information in the particulars (especially as the information may have been obtained from third parties) and do not accept any liability for any errors or omission including any inaccuracies or typographical errors. 3. Any interested purchasers, licensees or any other third parties should not view the information in the particulars as statements or representations of fact and should satisfy themselves that the facts and the specific details in the particulars are correct and accurate especially in relation to floor area and other measurements through inspection or other means, as appropriate, and will be responsible for taking independent surveys or valuations before entering into any legally binding transaction in respect of the property or premises that is the subject matter of these particulars. 4. We have not made any investigations or otherwise of any issues concerning pollution and potential land, building, air or water contamination. Prospective purchasers, licensees or any other third parties must undertake their own enquiries and satisfy themselves in this respect. 5. Unless otherwise stated, all prices and rents are quoted exclusive of VAT. March 2024 Designed by Smart Soho
